

Project Part-Financed
by the European Union
European Regional
Development Fund

Business Growth Calderdale tailors support packages around each business to help them achieve their ambitions and plans for growth.

Business Growth Calderdale is a partnership project between Calderdale Council, Bradford University, Leeds Metropolitan University and Community Partnership Solutions Ltd.

Could your company benefit from support with:

- * Innovation
- * Research
- * Product development
- * Leadership
- * Growing supply chains
- * Environmental management
- * Marketing
- * Coaching
- * Mentoring
- * Networking

Then talk to us
